

# ASSABET VALLEY CHAMBERSINGERS

*presents*

# Sing into Spring

“Sing Into Spring” will feature music intended to awaken and refresh all our emotional senses. Five centuries of choral music will be represented beginning with the delightful and frivolous madrigals of the 17th century through to the lush contemporary settings of romantic poetry by some of the 21st century’s youngest composers. The program will include madrigals, motets, Broadway show tunes, vocal jazz as well as classic and contemporary choral works.

**Sunday, April 14, 3:00 PM**
